FERID

10 September 1945

To : AB 12, MUNICH
From : AB 16, AMZON AB/6
Subject : Further to Summary of Preliminary Vetting: FERID

1. Reference is made to our Summary of Preliminary Vetting, 3 August 1945, for Murad FERID.

2. London has just cabled the following which we quote in full:

"1. Traces here confirm GIS and MUNICH county court prosecutor background.

2. But description indicate stoops and walks with limp due shrapnel wound while XYZ-1 form states erect and omits reference to limp.

3. Also mention Dr. FARRED believed same as FERID succeeded Graf Morogna-Redwitz as Leiter AST VIENNA after July putsch.

4. Note KOCH, Friedrich alias Kramer interrogated in May described FERID as fanatical Nazi. Suggest you check this your end."

3. "Preliminary" vetting refers only to a records check. A "completed" vetting is issued only when interviews are made with persons who know the subject. Such interviews are seldom made by us for I-2 inas much as the local case officer usually feels that such interviews are not necessary. Therefore, the so-called "preliminary" vetting does in most cases close our work for I-2 vettings.
